NOTE 1:

**GOD AFFIRMS THE NUMBERS 12 AND 10 (12 x 10 = 120)
ESTABLISHES HIS COMPLETE FULLNESS OF WHAT'S IN VIEW**

The gospel year 5110 B.C. exhibits (2 x 7 x 365) as God's complete perfection for the proclamation of the gospel of salvation for the earth according to what's in view. The number 365, (a year), is what's in view. God has shown how Noah and his family will be on the ark for 370 days, (a year). Noah's year in the ark is what's in view. Additionally, Noah's age at 480, (120 years before the flood), not coincidentally breaks down into 4 x 120 where the number 120 is associating with the furthest extent of whatever is in view. The earth (4) is what's in view.

4990 B.C. NOAH/ GENERATION AT 600 YEARS (2 x 5 x 499)		/EARTH 6023 YEARS (12 x 50)					
<p style="text-align: center;"> Come thou and all thy house into the Ark Yet seven days I will cause it to rain upon the earth Noah did according unto all that the Lord commanded him Noah was six hundred years old After seven days the waters were upon the earth And the Lord shut him in The flood was forty days upon the earth Of all that was in the dry land died The waters prevailed upon the earth an hundred and fifty days </p>

NOTE 2:

**27 ILLUSTRATES HOW GOD'S PURPOSE
INCLUDES GOD'S COMPLETE WRATH**

When the flood waters, (God's wrath), "ended" it was after the 40th day. This was the 3rd month, the 27th day of the month. This points to God's purpose to its furthest extent. This is exhibited by "four three's". That is, the 3rd month, and 3 x 3 x 3 = the 27th day. That harmonizes with the 120th year, and (NOTE I:), where 4 x 120 shows the earth (4) is what's in view. Therefore, we can know that the number 27 spiritually illustrates "God's Completed Purpose to the furthest extent" of whatever is in view. In this example, God's complete wrath on the earth is what's in view.

4989 B.C. NOAH/ GENERATION AT 601 YEARS (3 x 1663) (1 x 601)				/EARTH 6024 YEARS (2 x 2 x 2 x 3 x 251)			
<p>God remembered Noah and every living thing. After the end of the hundred and fifty days The ark rested upon the mountains of Ararat. In the tenth month on the first day of the month. Were the tops of the mountains seen. A raven went to and fro until the waters were dried. Yet seven other days - yet seven other days. The dove returned not again unto him any more. The waters were dried up from off the earth. God spoke unto Noah saying go forth of the ark. Noah builded an altar unto the Lord.</p>

NOTE 3:

27 ILLUSTRATES HOW GOD'S PURPOSE INCLUDES THE DELIVERANCE OF HIS ELECT

When the flood waters, (from the wrath of God), were dried up from off the earth, so that "the earth was dried", it was the 27th day of the 2nd month which brings about the 370th day, or year. This was the 121st year from when God first warned Noah of the destruction of the earth that would come. A principle God has revealed in 2 Peter 3:8 shows 365 is as 370, and 370 is as 365. That is, it is God's word that defines what a year will be according to the spiritual context and what is in view. God in his mercy will usually not allow a physical number to move away from what we would expect it to represent. So 370 is an acceptable number to spiritually illustrate a year in the context in which it is found. God can use a higher number to represent a year, as long as the biblical justification is provided. So while the physics put us in the ball park where we ought to be regarding the number for a year, (because we are still in these fleshly tabernacles), it is the spirit that establishes the spiritual truth according to the spirit of God, and not according to us or the physics we see. Therefore, the 27th day of the 2nd month of the 121st year, (from when the warning was first given to Noah), God is illustrating his purpose that is established by God and will shortly come to pass, the salvation of the gospel, (2nd month), of the Lord Jesus Christ, (121st year = 11 x 11), for Noah and his family.

NOTE 4:

GOD ALONE LOVINGLY AFFIRMS AND REVEALS HIS GOSPEL TIME LINE OF JUDGMENT AND DELIVERANCE

The 121st year has also been forecasted from Jacob's age of 121. In 1886 B.C. unknown to Jacob when he is 121, Joseph, (not only is not dead), at 30 is interpreting Pharaoh's dreams regarding the 7 years of plenty and 7 years of famine. God's work in Joseph will result in a great deliverance for Israel, (in Jacob/ in Christ). It certainly appear to be the case how this year, which illustrates the destruction of the earth and the salvation of the elect, has been forecasted from 5110 B.C. ,(2 x 7 x 365). This spiritual year, of God's wrath on the wicked and deliverance for his people, is also forecasted through Enoch being taken at 365 when methuselah who begets Lamech is born - Lamech the immediate father to Noah.

2Chronicles 29:32

370 DAYS

And the number of the burnt offerings, which the congregation brought, was threescore and ten bullocks, an hundred rams, and two hundred lambs: all these were for a burnt offering to the LORD.
