

The Gospel Earth

The unfolding of the time line of history is the gospel of the Lord Jesus Christ

Part I

From Egypt to the Exodus to Jordon:

Why Does God show the ages of Moses, and Aaron when Moses spoke unto Pharaoh to let God's people go? In, Exodus 7:7, God's word declares:

Exodus 7:7 And Moses was fourscore years old, and Aaron fourscore and three years old, when they spake unto Pharaoh.

A score is twenty years. So, $20 \times 4 = 80$, for Moses', and, $20 \times 4 + 3 = 83$, for Aaron, as the year of the Exodus, which was the 430th year Israel had spent in Egypt, as we read in, Exodus 12:40:

Exodus 12:40 Now the sojourning of the children of Israel, who dwelt in Egypt, was four hundred and thirty years. 41 And it came to pass at the end of the four hundred and thirty years, even the selfsame day it came to pass, that all the hosts of the LORD went out from the land of Egypt.

In, Exodus 12:40, the LORD tells us how the Israelites spent 430 years in Egypt to the very day they exited Egypt. Why is this important? Because the Word of God also says in the year Israel exited Egypt, Moses was 80, and, Aaron was 83! That is, God is giving us a point of reference for when the Israelites exited Egypt to when they shall arrive at the Jordon river 40 years later, *[the same year when both will die]*. This shows how old Moses and Aaron would have been when they died which, Deuteronomy 34:7, and, Numbers 33:38, also confirms:

Deuteronomy 34:7 And Moses was an hundred and twenty years old when he died: his eye was not dim, nor his natural force abated.

Numbers 33:38 And Aaron the priest went up into mount Hor at the commandment of the LORD, and died there, in the fortieth year after the children of Israel were come out of the land of Egypt, in the first day of the fifth month.

Moses and his brother Aaron were 80 and 83 respectively the year God led the Israelites out of Egypt in the Exodus. Forty years later when the Israelites approach the Jordon river, Moses is 120 and Aaron is 123 when both die that same year.

So we can know both Moses and Aaron died the same year when Moses was 120, ($80 + 40 = 120$), and, Aaron was 123; ($83 + 40 = 123$); which, Deuteronomy 34:7, and, Numbers 33:38, confirms!

Additionally, what we can know from a careful study of Genesis 5 and 11, as these chapters harmonize with all of scripture, is that the earth was 9,566 years old during the Exodus. How can we know this? Because there is very good reason to believe Christ was born in 7 B.C., [*Earth 11006 Years from Adam's sin*]. Therefore, the year of the Exodus is, 1440 B.C., [$11006 - 9566 = 1440$]. If Christ's virgin birth is in the 11006th earth year, or, 7 B.C., [*7 B.C. must be implemented; see Appendix A*], then Adam's sin must necessarily be 11006 years Before Christ, or, 11006 B.C. Subsequently, 9,566 years after Adam's sin, [*from 11006 B.C., the year zero,*], leaves 1440 years remaining before Christ's virgin birth, in, 11006 earth years, or, 7 B.C. However, the year, 7 B.C., must be implemented into a more accurate, 1 A.D., [*See Appendix' A and B*].

Therefore, 9,566 years after Adam's sin is when the Israelites exited Egypt, or, 1440 B.C. Forty year later after wondering in the wilderness, when the Israelites arrive at the Jordon river, must be, 9606 earth years from Adam's sin, or, 1400 B.C., [$9,566 + 40 = 9606$]; [$11006 B.C. - Earth 9606 Years = 1400 B.C.$].

As Moses was 80, and, Aaron 83, [*the year of the Exodus, as, Exodus 7:7, declares*], subsequently, 40 years after the Israelites exited Egypt would make Moses 120, and Aaron 123 when scripture says both died the same year. Again, Deuteronomy 34:7, and, Numbers 33:38, confirms the same!

Wonderfully, then, we can learn from our careful research of Genesis 5 and 11, as these chapters compare with all of scripture, (1 Corinthians 2:13), the year Moses and Aaron died was in the same year, 1400 B.C., or, Earth 9606 Years, when, Moses was, 120, and, Aaron, 123, forty years after Israel had exited Egypt, (Exodus 7:7)! Further, we may see how all of these years typify the spiritual time we are presently in. The year, 1440, [*The Exodus*], and, 1400, [*The Jordon*], that parallels the beginning of the 14th millennia at even, [*the spiritual darkness we are presently in just before the final destruction of Egypt/ the world*]. All of these dates parallel the time when Israel, [*God's elect*], are commanded to apply the blood of the Lamb without blemish on the door posts and lentils of their hearts and souls, eating unleavened bread, [*being born again; rightly dividing the word of truth*], as God's people prepare to exit Egypt/ the world (Exodus 12:18).

Additionally, Moses' age at 120 parallels the same spiritual age when Noah is told in 120 years God would destroy every living thing on the face of the earth, except Noah and all his house, [*The elect seed that shall come from Noah*]. God's call to His present day elect is spiritually identical to His call to Noah, and Moses, according to the scriptures. In parallel fashion, the 40th year, [*40 typifying God's testing*], when Israel is about to cross the Jordan parallels the current age when by God's supervision and provision, His elect, [*The True Israelites*], throughout the fulness of times, must enter the promised land, [*become born again/ born from above*], upon Christ's soon return, and their entrance into the New Heaven and the New Earth. It is the unfolding of the time line of history of the gospel of Jesus Christ. For the gospel of Jesus Christ is the unfolding of the time line of history.

Appendix A

Listening to the word of God, on my website, www.thegospelearth.com, I share studies to show how the year of Christ's birth in, 7 B.C., [*which had never been properly implemented*], after it is properly implemented, shows the 11006th earth year as, 1 A.D., rather than the 11013th earth year as also being, 1 A.D. The, 11013th earth year, then, is corrected to show, 7 A.D., rather than, 1 A.D. For only one virgin birth year can biblically exist in the fulness of times. 1 A.D. is purposely designed to identify the completion of, 7 B.C., which completes the Old Testament, as, 1 A.D., simultaneously begins the New Testament. For this is the net result of Christ's virgin birth. Subsequently, 7 B.C., when the earth is 11006 years old, must become, 1 A.D.

Listening to the word of God, on my site I had put a lot of time and work into trying to provide my brothers and sisters sufficient information to show how the May 21, 2011 calendar had suffered from a great error of having two calendar dates, 7 B.C., and, 1 A.D., as Christ's virgin birth. How these two dates have never been observed as error, nor reconciled according to the scriptures. We cannot have two virgin birth dates for God in the same calendar which the, May 21, 2011, calendar has had since 1994?. Error must to be repented from and corrected; which I did on my site in 2014! For as these dates are corrected the biblical calendar becomes more accurate. Subsequently, each biblical now changes by a full seven (7) years, which is the difference between, 7 B.C., and, 1 A.D. Example: from Christ's virgin birth, the Exodus is 1440 B.C., not, 1447 B.C., nor, does Israel become a nation again in, 1948, but in, 1954, etc.

John 3:12 If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?

Appendix B

Earth Years from Adam's sin, *[the year zero]*, must equal the Gospel Years from Christ's virgin birth, *[the 2nd year zero]*.

Table 1

Adams Sin	Flood	Exodus	Virgin Birth	Virgin Birth	The Cross	Fig Tree	13 th Mel Ends	14 th Mel at Even	Yet 7 other years	Yet 7 other years
11013 B.C.	4990 B.C.	1447 B.C.	7 B.C.	1 A.D.	33 A.D.	1948 A.D.	1988	1994?	2011	2017
Earth compete years The Year Zero	Earth 6023 Years	Earth 9566 Years	Earth 11006 Years	Earth 11013 Years	Earth 11045 Years	Earth 12960 Years	Earth 13000 Years	Earth 13006 Years	Earth 13023 Years	Earth 13030 Years
11006 B.C.	4983 B.C.	1440 B.C.	1 A.D.	7 A.D.	39 A.D.	1954 A.D.	2000	2011	2017	2024

**Original 1 A.D.
11013 B.C. to 1 A.D. Calendar**

11013 B.C. – 4990 B.C. [The Flood] = Earth 6023 Years.

11013 B.C. – 1447 B.C. [The Exodus] = Earth 9566 Years.

11013 B.C. – 0007 B.C. [Amended Virgin Birth] = Earth 11006 Years.

11013 B.C. – Earth 11013 Years [Original Virgin Birth] = 1 A.D.

Note 1: Subtracting a New Testament Earth Year from an Old Testament Earth Year also subtracts the gospel year zero, [1 A.D.], so that, 1 A.D., must be added back in to the sum. Thus, 32 A.D. + 1 = 33 A.D.

Earth 11045 Years [1st Atonement] – 11013 B.C. = 32 A.D. + 1 = 33 A.D.

Earth 12960 Years [1st Fig Tree] – 11013 B.C. = 1947 A.D. + 1 = 1948 A.D.

Earth 13000 Years [Church Judged] – 11013 B.C. = 1987 A.D. + 1 = 1988 A.D.

Earth 13006 Years [1994? Last Year?] – 11013 B.C. = 1993 A.D. + 1 = 1994 A.D.

Earth 13023 Years [2011 Last Year?] – 11013 B.C. = 2010 A.D. + 1 = 2011 A.D.

Note 2: Going beyond 2011 A.D. is as follows:

Earth 13030 Years [2018 Last Year?] – 11013 B.C. = 2017 A.D. + 1 = 2018 A.D.

**7 B.C. is Properly Implemented
11006 B.C. to 1 A.D. Calendar**

11006 B.C. – Earth 6023 Years, [The Flood], = 4983 B.C.

11006 B.C. – Earth 9566 Years, [The Exodus], = 1440 B.C.

11006 B.C. – Earth 11006 Years, [More accurate virgin], = 1 A.D. Implemented.

Note 1: Subtracting a New Testament Earth Year from an Old Testament Earth Year also subtracts the gospel year zero, [1 A.D.], so that, 1 A.D., must be added back in to the sum. Thus, 32 A.D. + 1 = 33 A.D.

Earth 11045 Yrs. [Atonement] – 11006 B.C. = 39 A.D. **[40 A.D.]**.

Earth 12960 Yrs. [the Fig Tree] – 11006 B.C. = 1954 A.D. **[1955 A.D.]**.

Earth 13000 Yrs. [13th Millennia Ends] – 11006 B.C. = 1994 A.D. **[1995 A.D.]**.

Earth 13006 Yrs. [14th Millennia began] – 11006 B.C. = 2000 A.D. **[2001 A.D.]**.

Earth 13023 Years [Yet other 7 Years] – 11006 B.C. = 2017 A.D. **[2018 A.D.]**.

Earth 13030 Years [Yet other 7 Years] – 11006 B.C. = 2024 A.D. **[2025 A.D.]**.
