

What is most likely the end of the late Harold Camping's Biblical Calendar according to what he showed to know, and what he would have known today?

LESSON ONE

According to the information in his books, Table 1, below, shows a simplified calendar the late Harold Camping would have likely arrived at, had he not repeatedly been pressured to publish his works prematurely. In a sense, Mr. Camping's study on the gospel time line had been sabotaged. The year 2024 A.D. is seen as the conclusion to Brother Camping's study which his May 21, 2011 calendar had ultimately pointed to. In 2013, my eyes were fully opened to the two virgin birth dates in Harold's calendar, [7 B.C. & 1 A.D.]. In 2017, I re-read afresh Harold's 1994? Book; and on, page, 440, I found a statement Harold had made that showed the same issue with an excess of 7 years between, 1 A.D., and, 7 B.C. His statement from his book 1994? follows:

"That is, creation occurred 11,000 years, (remember 11,000 + 6 years), before Christ, (Camping, H. 1994)"

From the first Adam to the Last Adam										

The statement shown above from Mr. Camping's 1994? book, on page 440, [amongst other things], shows how Mr. Camping had once seen the biblical earth years from Adam's sin to Christ's virgin birth as 11006 years. And the fact is, when the year, 1 A.D., [when the earth is 11013 years old], is removed from the calendar, and, the year, 7 B.C., [when the earth is 11006 years old], becomes, 1 A.D., this act removes the 7 unbiblical years that have existed between, 7 B.C., and, 1 A.D., which now makes the year of Christ's virgin birth, 'EARTH 11006 YEARS', which is, simultaneously, THE YEAR ZERO, from Adam's sin which would then be, 11006 B.C., when time begins. Time begins because of mankind's sin against the law of God, (Genesis 2:16-17). According to proper hermeneutics no where in the bible can it be proven that time existed prior to sin. But the bible can prove how time is one of the evil consequences of sin. Because of sin eternity manifests a beginning of life, and an end to life, which will not exist in the New Heaven and the New Earth.

Many years after having read Harold's 1994? book, and re-reading it afresh, I see how Harold had been rushed into the way in which he unfolded the information in his books regarding the last day. Because of the influenced of the Charismatics on him the spiritualization of numbers took precedence over physically proving all things, [a calendar is an earthly thing]. Still, Harold maintained the belief that King David began his reign over Israel, [when David was 30], (2 Samuel 5:4), to be a 1000 years before Christ's virgin birth, which is, 1000 B.C., as seen in Table 2, and not rather, 1007 B.C., which is based on, 1 A.D., when the earth is 11013 years old, when Adams sin is 11013 B.C. – the May 21, 2011 calendar.

My attraction to Harold's study of the time line was not the calendar itself, but the gospel message Harold had the ability to parallel with the unfolding of the time line of history. Actually, we as a society do the same thing every day with our annual and monthly calendars, as our lives, simultaneously, unfold. As Mr. Camping taught in his books, the gospel message of the Lord Jesus Christ is proven by the precepts of God, (Psalm 119:93; John 3:3-5). So, in Lesson I, we will now examine one of those precepts.

Precept & Prerequisite 1:

**The earth years and the gospel years
equally unfold the gospel of Jesus Christ**

Let's define some terms:

Earth Years:

**Begin with Adam's sin against
the law of God which go to the last day**

Gospel Years:

**Years Before and After Christ's virgin birth,
which equal the years from Adam's sin to the last day.**

Both, **the Earth years**, beginning with mankind's sin, [*in the first Adam*], against the law of God, and, **the Gospel years**, before and after Christ's virgin birth, must perfectly harmonize with the Gospel Message of the Lord Jesus Christ. This includes the fundamentals of the biblical calendar, (John 3:12). While it is true that earthly things in themselves are never looked at as the proof of the Spirit of truth, still, all that is in the earth beneath and the earth above and the sea and all that is there-in, must perfectly harmonize with the Spirit of God, and not the spirit of the world, which is founded on earthly things. The late Harold Camping put it this way: ***"the unfolding of the time line of history is the gospel of the Lord Jesus Christ - the gospel of the Lord Jesus Christ is the unfolding of the time line of history"***. King David is an integral part of the eternal gospel of salvation in Jesus Christ. Subsequently, if Christ's virgin birth is when the earth is 11006 years old, [*1000 years after David began his reign over Israel when David is 30*], (2 Samuel 5:4), then Adam's sin must be identified as, 11006 B.C., when the earth is zero years old, as seen in the Tables above.

For example, if Adam's sin did not begin a specific day, [*in the day of eternal life and eternal damnation*], (Genesis 2:1-4), and Christ's virgin birth did not justify, 'in that day', on a specific day, [*from Adam's sin*], (Matthew 1:1-25), then Mary and Joseph, and the three magi never existed on a specific day, which God never ordained from before the foundation of the world. But, of course, we know that cannot be true! **Therefore, the unfolding of the time line of history, is, in truth, the gospel of the Lord Jesus Christ, (Ephesians 1:10-14), who is eternal God, and who is without beginning of days, nor end of life, (Hebrews 7:3).** From Adam's sin to when David begins his reign over Israel, when David is 30, the Bible shows to be, 'Earth 10006 Years'. According to Genesis chapters 5 & 11, 1 Kings 6:1, and, 2 Samuel 5:4, there is absolutely no doubt about this.

The late Harold Camping of Family Radio Inc., [*1959 to 2013*], first discovered the gospel time line, from Genesis chapters five and eleven, 1 Kings 6:1, and 2 Samuel 5:4, as these verses compare with all of scripture. Harold first believed Adam's sin was in, 11013 B.C., and that Christ's virgin birth was in, 1 A.D., when the earth is, 11013, years old. However, after his book, 'Adam When', Harold believed that he must correct the year of Christ's virgin birth to be in the year, 7 B.C. **"But God chose not to open Harold's eyes to how the year, 7 B.C., must be "implemented" into the calendar! Ecclesiastes 7:20 For there is not a just man upon earth, that doeth good, and sinneth not."** Whatever the year that would be settled on as Christ's virgin birth, that year has to be the first year of the New Testament, [*the year zero from Adam's sin*], which follows the completion of, 1 B.C., and the Old Testament years, [completion of 11006 years], as the 11007th earth year begins, as a New Covenant is being trumpeted!

The actual year of Christ's virgin birth could not continue as 7 years before Christ's virgin birth, as, 7 B.C., indicates. The year, 7 B.C., had to have become, the years, 1 A.D., [*the year zero*], that begins the New Testament; and in this case, when the earth is, 11006 years old, not, 11013. This is because, when you implement, 7 B.C., as, 'the year zero', [*which begins the New Testament*], [*while 1 A.D. still remains in the calendar when earth is 11013 years old*], we must subtract the years from, 7 B.C. to 1 A.D., which is a total of 7 full years, [11013 - 7 = 11006]. This, then, proves the biblical precept, that, the year of Adam's sin, [*when time begins*], has to match the year of Christ's virgin birth. For Christ, who comes in the flesh of His elect is the unfolding of the time line of history, (1 Corinthians 15:45)!

Initially, it doesn't matter what we call the year of Adam's sin, *[the year zero which begins the Old Testament]*, unless we can know absolutely the Earth Year of Christ's virgin birth. Naturally, whenever that year is when Christ is born of a virgin must come from the accumulation of years since Adam's sin. Remember what God declares in Genesis 5: "And Adam was 130 when he beget Seth". The only way that can be possible is if Adam sinned 130 years earlier when the time line of the wheat and the tare begins. Otherwise, there is no salvation in the last Adam, and Jesus Christ never came in the flesh to save His people from their sins, (Matthew 1:21; Romans 8:3-4)! This is why its so important what the late Harold Camping use to trumpet for many years, *"the unfolding of the time line of history is the gospel of the Lord Jesus Christ"*. Before we go on lets look at a true biblical commentary on Harold's quote:

Romans 8:3 For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: 4 That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit.

God's 'elect Noah' came from the loins of God's 'first elect' Adam, *[... the figure of Him who was to come]*, (Romans 5:14). 'Abraham' came from the loins of 'God's elect Noah'; and, 'David from elect Abraham', and, 'Jesus from David' - **according to the flesh**, (Matthew 1:1). **This is the unfolding of the gospel of the Lord Jesus Christ**, (Ephesians 1:10-14). According to God's gospel deign, it begins with the year zero, (0), which begins the gospel time line of history, *[from Adam's sin]*, or, the beginning of the Old Testament. When the years of the patriarchs are correctly interpreted, when King David begins his reign over Israel at 30, the earth is 10006 years old, from the year zero when mankind, *[in Adam]*, sinned against the law of God, (Genesis 3), as shown numerically in Tables 1 & 2.

This also means the flood of Noah's day, which is, EARTH 6023 YEARS, must be 4983 years before Christ, or, 4983 B.C., *[6023 + 4983 = 11006]*, and, the Exodus, in, EARTH 9566 YEARS, must be, 1440 years before Christ, or, 1440 B.C., *[9566 + 1440 = 11006]*; or, when David begins his reign over Israel, in, EARTH 10006 YEARS, must be 1000 years before Christ, or, 1000 B.C., *[10006 + 1000 = 11006]*; or, when Christ is born of the virgin Mary, EARTH 11006 YEARS, must be the year zero, or, the completion of 11006 years from Adam's sin, according to the Assession system completing the Old Testament, *[the First Covenant]*, while, simultaneously, beginning the New Testament, *[the Second Covenant]*. Further, Christ's atonement, in, EARTH 11045 YEARS, must be 39 years after His birth, or, 39 A.D., *[11045 - 39 = 11006]*; and the FIG TREE when Israel becomes a nation again, in, EARTH 12960 YEARS, must be 1954 years after Christ's virgin birth, or, 1954 A.D., *[12960 - 1954 = 11006]*;

From God's word the Bible, God goes out of His way to point at the number 70 as the completion of His gospel program on the sin cursed earth. In, Jeremiah 25:11-12, and, 29:10, we read:

Jeremiah 25:11 And this whole land shall be a desolation, and an astonishment; and these nations shall serve the king of Babylon seventy years. 12 And it shall come to pass, when seventy years are accomplished, that I will punish the king of Babylon, and that nation, saith the LORD, for their iniquity, and the land of the Chaldeans, and will make it perpetual desolations.

Jeremiah 29:10 For thus saith the LORD, that after seventy years be accomplished at Babylon I will visit you, and perform my good word toward you, in causing you to return to this place.

Precept & Prerequisite II:

The Second Prerequisite that must exist for the Biblical calendar to be true, [Table 1 & 2], is that the Bible must show how Christ's virgin birth is a 1000 years after King David begins his reign over Israel when David is 30 when the earth is 10006 years old. As previously declared, what can be known thus far is that the earth is in fact 10006 years old when David begins his reign over Israel, per Genesis 5 & 11, 1 Kings 6:1, and, 2 Samuel 5:4. **But this in itself does not prove David's reign over Israel is 1000 years before Christ.** In other words, we can know from God's word the perfect order of His fulness of times as it unfolds on the sin cursed earth UP TO when Babylon destroys Israel in about 580 B.C., when the earth is, 10426 years old. We may go a little further from the book of Esther and other biblical sources that bring us to about 400 B.C. But from that point to Christ's virgin birth is still being studied. And God may not want us to find it, physically, but to walk by faith. However, the number 400 is very significant as it points to the beginning and ending of tribulation for God's people. Could it be that the last 400 years of the Old Testament brings the Light out of Darkness with the God in the flesh, 1000 years after David, when he is 30, and begins his reign over Israel, in, Earth 10006 Years?

Precept & Prerequisite III:

The earthly, *[biblical]*, calendar, from Alpha to Omega, must mirror God's spiritual truth that is eternal. This is true for those who shall love God's appearance at His coming, when He arrives a second time without sin (Hebrews 9:28). The earthly and the spiritual encapsulate the gospel message of the Lord Jesus Christ from Alpha to Omega (Genesis 2:1-4; Revelation 1:8). In Part III, the study will look at, Genesis 8:6-12, to show this beginning. So, prerequisite II is also continually being studied.

¶ And it came to pass at the end of forty days, that Noah opened the window of the ark which he had made: 7 And he sent forth a raven, which went forth to and fro, until the waters were dried up from off the earth. 8 Also he sent forth a dove from him, to see if the waters were abated from off the face of the ground; 9 But the dove found no rest for the sole of her foot, and she returned unto him into the ark, for the waters were on the face of the whole earth: then he put forth his hand, and took her, and pulled her in unto him into the ark. 10 And he stayed yet other seven days; and again he sent forth the dove out of the ark; 11 And the dove came in to him in the evening; and, lo, in her mouth was an olive leaf pluckt off: so Noah knew that the waters were abated from off the earth. 12 And he stayed yet other seven days; and sent forth the dove; which returned not again unto him any more (Genesis 8:6-12).

From, Genesis 8:6-12, the following is learned. The hearing of the Gospel message of the Lord Jesus Christ, which He alone begins, and which He alone ends, manifests both the physical and spiritual while the sin cursed earth remains. The end of the forty days, (40), is a picture of the end of God's testing program, from the tree of the knowledge of good and evil to the last day.

Because the warfare between good and evil did not cease after God destroyed the earth with water, this is typified by the raven that is sent out and that goes to and fro throughout the earth (Job 1:7). The dove typifies the Holy Ghost and God Himself, who works while it is day, until the waters, *[the peoples]*, are separated on the last day, the waters from above, *[the wheat]*, from the water from below, *[the tare]*, who are no longer together; for the elect, having been born again, are qualified to be resurrected a second time without sin, and are taken up to be with the Lord where they shall be forever more (Hebrews 9:28).

However, as the wheat and the tare remain together on the earth the final harvest has not arrived; for the harvest is the end of the world, when God's elect are ascended up into the New Heaven and the New Earth. Until then the elect have no rest for the sole of their feet, *[no physical rest from sin]*, and remain in the ark, typifying the spiritual word of God. God's olive leaf to her, *[His elect]*, is a new heart and a new spirit, (Ezekiel 36: 2 Corinthians 1:22).

OK, but, Twice Noah stayed yet other seven days manifesting the gospel time line in its entirety as fourteen millennia, *[7 + 7 = 14]*. The Earth would be 13030 years old as of 2024 A.D. The earth at 13030 years, had been the beginning of the fourteenth millennia from Adam's sin. The fourteenth millennia actually began in the year, 13000, or, 1994 A.D, as seen in Table below.

Thus far, Table I, is true, if, David begins his reign over Israel when David is thirty, when the earth is 10006 years old, and if David's reign over Israel is a thousand years before Christ's virgin birth, or, if the bible shows another way that brings Christ's virgin birth to 11006 earth years from Adam's sin.

From 1994 on, God is Testifying of the Fourteenth Millennia Gospel, [7 + 7 = 14] From 2011 to 2017 is the First OTHER SEVEN YEARS From 2017 to 2024 is the Second OTHER SEVEN YEARS Physically, (John 3:12), while, simultaneously, Spiritually, (John 3:12)										

Our study continues in Precept & Prerequisite III, with Genesis 29:20, and, 25-28:

20 And Jacob served seven years for Rachel; and they seemed unto him but a few days, for the love he had to her. ... 25 And it came to pass, that in the morning, behold, it was Leah: and he said to Laban, What is this thou hast done unto me? Did not I serve with thee for Rachel? Wherefore then hast thou beguiled me? 26 And Laban said, It must not be so done in our country, to give the younger before the firstborn. 27 Fulfil her week, and we will give thee this also for the service which thou shalt serve with me yet seven other years. 28 And Jacob did so, and fulfilled her week: and he gave him Rachel his daughter to wife also. (Genesis 29:20, 25-28).

Again, when reading these passages carefully, the whole gospel message is on display from Alpha to Omega. The LORD is using the first seven, of the fourteen millennia time line, to illustrate the tare, [Esau], who are under the law, which Christ also purchased when buying the field, [the world], in order to obtain His treasure, His eternal souls the elect (Matthew 13:44). God is demonstrating His love for His Son, [who was in Jacob], and Jacobs wife, Rachel, who typifies all of God's elect throughout the fulness of times, [His invisible church], illustrated by the second seven of the fourteen millennia, [the gospel time line in its entirety], when Christ shall be united once and for all with all of His born again people who are one body in Christ - His bride - who are one flesh on the sin cursed earth, yet one eternal body forever more. In this context, Christ, typified by Jacob, [God's elect], shall fulfill her week, [twice], (7 + 7 = 14), as God spiritually seals all of His elect from Adam's sin to the last day.

**In Precept & Prerequisite III,
another important passage that clearly supports
a fourteen millennia gospel is found in Genesis 2:1-4:**

¶ Thus the heavens and the earth were finished, and all the host of them. 2 And **on the seventh day** God ended his work which he had made; and he rested **on the seventh day** from all his work which he had made. 3 And God blessed **the seventh day**, and sanctified it: because that in it **he had rested from all his work which God created and made**. 4 ¶ **These are the generations** of the heavens and of the earth when they were created, **in the day** that the LORD God made the earth and the heavens, (Genesis 2:1-4).

Here in Genesis 2:1-4, God deliberately speaks of His work ending with three seven's (3 x 7 = 21). On the cross, Christ declared, "it is finished", just before giving up the ghost. So the substance of this work is NOT time (Hebrews 11:1). God rested on the seventh day, (7), and all of God's work was blessed, on the seventh day (7). These three sevens typify God's purpose of God's salvation program in its entirety, (21).

These three sevens illustrate the purpose of God that perpetually points to the gospel of the Lord Jesus Christ from Alpha to Omega, as it illustrates the beginning to the ending of God's work, which was, which is, and which is to come (Revelation 1:8). **The first seven** typifies, "in the beginning was the word, and the word was with God, and the word was God", before anything had been created (John 1:1)." **The second seven** typifies the Old Testament, and mankind who begin under the law until salvation might come. **The third seven** is the promise of that salvation that shall come to all who's names had been written in the Lamb's book of life. While the sin cursed earth remains, all of this is manifested physically, according to the Spirit of God, and according to the spirit of the world, (Matthew 13:24-39).

								Final 30 Years, typifying the end of the old moon bringing in of the second resurrection without sin		
						Final 70 years, typifying the end of tribulation for all of God's elect				

Is it significant, that, from, May 21, 2011, to, 2024 A.D., is 13 years, and that 13 years can typify the gospel of Jesus Christ in its entirety, coming to an end, [*Christ ending all of sin*]. While, simultaneously, from Adam's sin to, 2024 A.D., manifests a fourteen millennia gospel, or God's finishing all of His work which God created and made (Genesis 2:1-4)? This would support the doubling God perpetuates throughout His Gospel Program, from the Garden of Eden, and the tree of the knowledge of good and evil. Additionally, is it significant, that, from 1994 to 2024 is 30 years that points to the destruction of the old moon and appearance of the new moon; when God's elect are resurrected a second time without sin (Hebrews 8:28)?

But can we know that the 70 years from 1954 when Israel becomes a nation again, [according to the unfolding of the time line of Jesus Christ, not the time line of mankind, {May 21, 2011}], will show the last 24 hour day of this earth's existence?

Two of the most significant days of the biblical calendar is when Israel the fig tree becomes a nation again, [comes into leaf], and the last day itself! Israel coming into leaf again points to Babylon the bride of Satan who must boast of her kingdom without end just before the Lord's return. The last 24 hour day shall be the fulfillment of the last day of sin which spiritually began in His elect when in an instant they were born again. From that instant it was guaranteed that the last 24 hour day could no longer harm them in any way. Not so however for those who's names are not written in the Lamb's book of life.

Following the correction of the earthly biblical calendar with the two virgin birth days of 7 B.C. and 1 A.D, two significant breakdowns of days have come into view. One represents what has proven to be man's calendar, while the other appears to support the most accurate calendar thus far.

It was thought that the earth year 13023 was the last day of this earth's existence, and that this earth year was the gospel year 2011. After removing the years between, 7 B.C. and 1 A.D., the earth year 13023 is now the gospel year 2017. However, perhaps a more significant attribute of the year 13023 is how it breaks down: $13023 = 3 \times 3 \times 1447$.

This equation points to the May 21, 2011 calendar where Adam's sin is in, 11013 B.C., and Christ's virgin birth is, 7 B.C., but while, 1 A.D., remains in the calendar, and which shows the Exodus as 1447 B.C.

But now let's look at the Fig Tree as National Israel when she becomes a nation again in the earth year 12960. This earth year breaks down as: $12960 = 3 \times 3 \times 1440$. This equation points to the Corrected Calendar of 11006 B.C. and 1 A.D., when the earth is 11006 years old upon Christ's virgin birth, and which shows the Exodus as 1440 B.C. Again, we see the precept throughout the gospel of, "other seven years", or, "her week", as God's gospel of salvation from damnation continues on until that last day. Is that last 24 hour day in 2024? Until that last 24-hour day arrives who can say who of us is going to be here to find out? Rather, the biblical language says, "now is the day of salvation; NOW! If we will hear His voice harden not your hearts" ...

May 21, 2011 Calendar: $13023 - 11013 = 2010$. Corrected Calendar: $13030 - 11006 = 2024$.

Interestingly, the completion of, 2010, as figured from the Exodus in the Corrected Calendar, [1440 B.C.], is the 70th jubilee, when, simultaneously the year, 2011 began, and the first of, “other seven years”, to, 2017, and, “other seven years”, to, 2024, which is 70 years from 1954 when God’s Israel becomes a nation again, [not the earths Israel 1948].

All of God’s earthly numbers to mankind work together simultaneously spiritually according to the gospel which always tells one event, one story, no matter what number or combination of numbers will be witnessed : **Jesus Christ and Him Crucified**. If we don’t have Him now how may we have Him on that day? If we have Him now it is guaranteed we will have Him on that day which for now is TO DAY, as we obediently send out the gospel of Jesus Christ as He leads according to the scriptures.
